

Convenient. Informative. Comprehensive. Mobile. Supportive.

Those are just a few of the ways to describe the new **AGCO Finance My Account Access**. AGCO Finance customers, whether it be for machinery agreements, AGCO Plus+ accounts, or both, now have a new user-friendly customer portal available to them. With access 24 hours a day, seven days a week, customers can review their accounts, set up payments, and review purchases at their convenience.

Want to schedule your payment in advance or have your payment automatically deducted?

Set up recurring payments on eligible agreements or have the ability to schedule your payment up to 30 days prior to the due date.* All done through a simple ACH transaction with your bank.

Have multiple agreements with multiple assets on each Agreement?

No worries there! Each agreement shown on the portal will list each asset on that agreement.

Need to follow-up on a payment you made previously?

My Account Access gives you the option to select 3,6,12 or 24 months of payment history for your active agreements or AGCO Plus+ accounts.

Cash Flow a concern this month?

AGCO Plus+ customers can select one of four different payment amounts to fit their varying cash flow needs.

Need to know what parts or service items were included on a dealer invoice?

Line item detail is now available quickly through My Account Access.**

See the vital details that pertain to each agreement

Easy to use contact screen for updates to your personal information.
